

We are grateful to the many chapters who sent donations to help the victims of the Great East Japan Earthquake. The support from I.I. members around the world was truly wonderful.

So far, I have received replies from more than fifty chapters about their donations, including both donations sent to I.I. Headquarters and those sent to other organizations.

The total amount of donations reported to I.I. Headquarters up to now is 10,738,371 yen. This is approximately US\$140,000, or approximately 104,000 Euros.

The donations were sent to many organizations and companies including:

- 🇯🇵 Japanese Red Cross Society
- 🇯🇵 Other Red Cross Societies (in the country of the donating Chapter)
- 🇯🇵 Japanese embassies and consulates in the country of the donating Chapter
- 🇯🇵 Japan Times
- 🇯🇵 Okinawa Times
- 🇯🇵 Other newspapers in the country of the donating Chapter
- 🇯🇵 Ashinaga Ikueikai

I.I. Headquarters will send a detailed report on the donations to the Foreign Ministry.

Thank you very much for your great cooperation.
